Rally Match NFT Quick Start Guide

Your complete guide to purchasing, managing, and unlocking Rally Match NFTs — the smart-contract product that locks ERC-20 rewards for 26 weeks with potential to earn up to a 100% Match Bonus.

Smart-Contract Locked
Your rewards are secured on-chain for 26 weeks, ensuring transparent and automated distribution.

Weekly Delivery
Stack bundles deliver one NFT per week for 20 consecutive weeks, building your portfolio automatically.

Match Bonus Potential
Earn up to 100% bonus by maintaining your weekly purchase streak with consistent brand and amount.

Purchase Options

Weekly Match NFTs

Most Flexible Option

- **Payment:** ETH only
- **Where:** Buy directly in Connect Wallet → "Buy Match NFT"
- **Requirements:** Match brand + dollar amount every week
- **Bonus:** Builds 5% per week up to 100%

Perfect for users who want full control over their weekly participation and bonus progression.

20-Week Stack Bundle

Set-and-Forget Option

- **Payment:** USDT, USDC, or Wire
- **Where:** Connect Shopping Cart
- **Note:** Wire must be standalone (not combined)
- **Delivery:** 1 NFT per week for 20 weeks
- **Unlock:** Each unlocks individually at 26 weeks

Ideal for long-term holders who want automated delivery without weekly manual purchases.
